

初中音乐网络课堂上学生合作创作音乐

The image displays a digital music creation interface with a top control bar and a multi-track workspace. The control bar includes a red record button, a black stop button, a grey play button, a purple 'Saved' button, a share icon, and a menu icon. The workspace features a timeline with markers at 17, 33, 49, and 65. The tracks are as follows:

- Anthem -**: A purple track with a drum icon, containing three purple rectangular blocks with a black checkered pattern. A purple music note icon and a blue group icon are overlaid on the right side.
- Two - Bea**: A green track with a drum icon, containing a single green rectangular block with a horizontal line.
- Synth - Ja:**: An orange track with a waveform icon, containing a continuous orange waveform.
- Beat - Hea**: A pink track with a waveform icon, containing a pink rectangular block with a waveform.
- Piano - Mc**: A blue track with a waveform icon, containing three blue rectangular blocks with a waveform.
- 1021\_b7ef**: A teal track with a waveform icon, containing a continuous teal waveform.

A plus sign (+) is located at the bottom left of the track area.
